

## Albert Einstein College of Medicine

Fellowship Program Name: Albert Einstein College of Medicine

Fellowship Coordinator: Magdy Mikhail, MD

**Address:**

Montefiore Medical Center  
Centennial Women's Center  
3332 Rochambeau Avenue  
Bronx, NY 10467

**Phone:** 718-920-5233

**Fax:** 718-920-6313

**E-mail:** [mikhailgyn@aol.com](mailto:mikhailgyn@aol.com)

**Description:** Involvement in graduate and undergraduate training and clinical research. At the completion of the fellowship, the subspecialist will be prepared to provide consultation and comprehensive management of women with complex benign pelvic conditions, lower urinary tract disorders, pelvic floor dysfunction, and defecatory disorders. On-site at Montefiore Medical Center, the major affiliate of the medical college, within the existing Division, is a fully equipped out-patient unit with equipment for urodynamic testing, photodocumentation, imaging, electrodiagnostic testing and biofeedback. The program provides a basis for an academic career in Obstetrics & Gynecology and Women's Health founded in research and teaching while affording strong clinical exposure in Female Pelvic Medicine and Reproductive Surgery. Special interest areas are Pelvic Surgery, Pelvic Anatomy, Anal Incontinence (anal physiology laboratory). Additional information can be found at [www.aecom.yu.edu/obgyn/divdep/urogyn.html](http://www.aecom.yu.edu/obgyn/divdep/urogyn.html).

**Program Length:** 3 years

**Application Process:** ERAS
