Description: Henry Ford Hospital/Wayne State University offers a 3 year ACGME accredited FPMRS fellowship beginning in July 1, 2013. There is a 3 year OB/GYN tract and a 2 year Urology tract. HFHS is a tertiary care center utilizing two hospitals – the main campus in downtown Detroit and a suburban West Bloomfield campus. Fellow ambulatory and surgical experiences are located at both sites. The fellowship offers an excellent opportunity for graduates of residencies program who are interested in a career in academic FPMRS. There is a close and longstanding clinical, teaching, and research collaboration between the urogynecology faculty and the Urology faculty. The core faculty includes 2 fellowship trained urogynecologist and 1 fellowship trained urologist.

Requirements: Satisfactory completion of ACGME-accredited Urology or Ob-Gyn residency program

Program Length: 3 years Ob-Gyn resident, 2 years Urology resident

Number of Fellows: 2 fellows (one in each year)

Fellowship Program Director: David Richardson, M.D.

Faculty: Urogynecology: David Richardson MD, Ali Luck MD. Urology: Humphrey Atiemo. Colorectal Surgery: Craig Reickert. Gastroenterology: Eva Alsheik, MD

Application Process: ERAS

Interview dates: to be determined
