E-mail: rgerich1@hfhs.org

Description: Henry Ford Hospital/Wayne State University offers a 3 year ACGME accredited FPMRS fellowship beginning in July 1, 2013. There is a 3 year OB/GYN tract and a 2 year Urology tract. Henry Ford Health System is a tertiary care center. The fellowship program encompasses two hospitals – the main campus in downtown Detroit and a suburban West Bloomfield campus. Fellows' ambulatory and surgical experiences are located at both sites. The fellowship offers an excellent opportunity to be trained for a career in academic FPMRS. There is a close and longstanding clinical, teaching, and research collaboration between the urogynecology faculty and the Urology faculty. The core faculty includes 3 fellowship trained, board certified FPMRS urogynecologist and 1 fellowship trained, board certified FPMRS urologist.

Requirements: Satisfactory completion of ACGME-accredited Urology or Ob-Gyn residency program

Program Length: 3 years Ob-Gyn resident, 2 years Urology resident

Number of Fellows: 2 (one in each year)

Urogynecology Faculty: David Richardson MD, Ali Luck MD, Maria Victoria Estanol MD.

Urology Faculty: Humphrey Atiemo, MD

Colorectal Surgery Faculty: Craig Reickert, MD

Gastroenterology Faculty: Eva Alsheik, MD

Application Process: ERAS

Interview dates: to be determined
