

## AUGS Affiliate Membership

---

### What can an Affiliate Membership do for you?

#### Resources

- A listing in the “Find a Provider” section on the Voices for PFD Website, [www.voicesforpfd.org](http://www.voicesforpfd.org), allowing patients to easily find you
- A subscription to **AUGS publications**, including *Female Pelvic Medicine and Reconstructive Surgery* and the online newsletter *FPMRS News*
- Eligibility to apply for research funding through the **PFD Research Foundation Grant Program**
- Access to clinical practice guidelines, tools, position statements and information on coding, reimbursement and quality improvement on the AUGS website
- Access to patient resources on the Voices for PFD website

#### Education

- **Access to the FPMRS Education Portal**, an online learning portal containing educational videos, webinars, and archived annual meeting content
- A reduced fee to participate in **PFD Week meetings and workshops**
  - Interdisciplinary workshops taught by leaders in the field
  - Exposure to the most recent and innovative research and treatment methods in the urogynecology community
  - Roundtables that allow direct discussion with experts in the field
- A reduced fee to attend **Urogynecology for the Advanced Practice Provider**, a new course designed specifically for the advance practice provider

#### Networking

- **Membership in the Advanced Practice, Physical Therapy and Allied Health (APPTAH) SIG**, established 2011, which serves as the primary vehicle for developing a sense of community and providing focused education for Allied Health Professionals in the non-surgical management of pelvic floor disorders
  - Gain access to the AUGS APPTAH SIG Listserv, an online forum for members to ask questions, get feedback, and discuss PFD issues with colleagues
  - Exclusive invitation to attend APPTAH SIG networking and business meeting at AUGS Annual Scientific Meetings
- **Volunteer for a Committees.** Serve on one of AUGS’s numerous committees which are responsible for developing and maintaining the programs and policies that support the Society’s mission.
