# Albany Med Health System Program

**Website:** <https://www.amc.edu/education/residencies-fellowships/urogynecology-and-reconstructive-pelvic-surgery-fellowship/>

**Program Coordinator Name:** Tonya M. Persico

**Program Coordinator Contact:** [persict@amc.edu](mailto:persict@amc.edu)

## **Visiting Rotations, Applications, and Interviews**

- Visiting rotations for external ob/gyn residents: No
- Participating in the 2026 ERAS application and NRMP match: No

## **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early August 2027 (eg, August 1st)

General gynecology and/or obstetrics call requirements: No

## **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 4

**Dedicated research months Year 2:** 4

**Dedicated research months Year 3:** 4

**Type of research opportunities provided:** Clinical Research (Patient-Based), Translational Research (Bench-to-Bedside), Basic Science / Mechanistic Research

**Number of personalized elective rotations:** 1 elective rotation

## **Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Required
- Colorectal surgery: Required
- Gastroenterology: No current opportunity
- Vulvar disorders: Required
- Minimally invasive gynecologic surgery: Required
- Plastic surgery: No current opportunity
- Gynecologic oncology: No current opportunity
- Transgender health: No current opportunity
- Global health: No current opportunity
- Pelvic floor physical therapy: Required
- Other non-urogynecology clinical requirements or opportunities: N/A

**Current URPS Fellows and Faculty**

Total number of fellows currently in program: 3

Total number of core URPS faculty: 5

1. Erin Deverdis, MD, Division Director, Fellowship Program Director
2. Cara Grimes, MD, Assistant Fellowship Program Director, Fellowship Research Director
3. Rebecca Rogers, MD, Department Chair
4. Bradley Jacobs, MD
5. Elise De, MD

## Program

**Website:** <https://ahs.atlantichealth.org/professionals-medical-education/residencies-fellowships/urogynecology-fellowship.html>

**Program Coordinator Name:** Kristen Stigliano

**Program Coordinator Contact:** [Kristen.stigliano@atlantichealth.org](mailto:Kristen.stigliano@atlantichealth.org)

### **Visiting Rotations, Applications, and Interviews**

- Visiting rotations for external ob/gyn residents: Yes
- Participating in the 2026 ERAS application and NRMP match: Yes
- Number of fellowship positions in 2026 cycle: 1
- Other additional information requested in addition to ERAS application: Copies of CREOG Scores
- Participating in the AUGS Interview invitation schedule (AUGS first round interviews): Yes
- Participating in Signaling: Yes
- Interview Day #1: March 5
- Interview Day #2: March 12
- Interview Day #3: March 26
- Are CREOG in-service exam scores requested in addition to the ERAS application? Yes

### **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early July 2027 (eg, July 1st)

General gynecology and/or obstetrics call requirements: No

### **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 4

**Dedicated research months Year 2:** 4

**Dedicated research months Year 3:** 4

**Type of research opportunities provided:** Clinical Research (Patient-Based)

**Number of personalized elective rotations:** No guaranteed elective rotations

**Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Required

- Colorectal surgery: Required
- Gastroenterology: No current opportunity
- Vulvar disorders: No current opportunity
- Minimally invasive gynecologic surgery: No current opportunity
- Plastic surgery: No current opportunity
- Gynecologic oncology: No current opportunity
- Transgender health: No current opportunity
- Global health: Optional opportunity
- Pelvic floor physical therapy: Optional opportunity
- Other non-urogynecology clinical requirements or opportunities: N/A

### **Current URPS Fellows and Faculty**

Total number of fellows currently in program: 3

Total number of core URPS faculty: 4

1. Erika Wasenda, Fellowship Program Director
2. Ricardo Caraballo, Division Director
3. Carolyn Botros, Assistant Fellowship Program Director
4. Shaun Adair

## **Visiting Rotations, Applications, and Interviews**

- Visiting rotations for external ob/gyn residents: No
- Participating in the 2026 ERAS application and NRMP match: No

## **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early August 2027 (eg, August 1st)

General gynecology and/or obstetrics call requirements: No

## **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 3

**Dedicated research months Year 2:** 5

**Dedicated research months Year 3:** 5

**Type of research opportunities provided:** Clinical Research (Patient-Based), Epidemiologic / Health Services Research, Surgical Education and Simulation Research

**Number of personalized elective rotations:** 1 elective rotation

## **Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Optional opportunity
- Colorectal surgery: No current opportunity
- Gastroenterology: Required
- Vulvar disorders: No current opportunity
- Minimally invasive gynecologic surgery: Optional opportunity
- Plastic surgery: Optional opportunity
- Gynecologic oncology: No current opportunity
- Transgender health: No current opportunity
- Global health: No current opportunity
- Pelvic floor physical therapy: Optional opportunity
- Other non-urogynecology clinical requirements or opportunities: N/A

**Current URPS Fellows and Faculty**

Total number of fellows currently in program: 2

Total number of core URPS faculty: 4

1. Megan Tarr, MD, Division Director, Fellowship Program Director, Fellowship Research Director
2. Erinn Myers, MD, Division Director
3. Michael Kennelly, MD,
4. Zahra Bahranimostafavi, PhD, Fellowship Research Director

- Interview Day #3:
- Are CREOG in-service exam scores requested in addition to the ERAS application? Yes

## **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early August 2027 (eg, August 1st)

General gynecology and/or obstetrics call requirements: No

## **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 3

**Dedicated research months Year 2:** 4

**Dedicated research months Year 3:** 4

**Type of research opportunities provided:** Clinical Research (Patient-Based), Translational Research (Bench-to-Bedside), Basic Science / Mechanistic Research, Epidemiologic / Health Services Research, Surgical Education and Simulation Research, Biomedical Engineering & Innovation, Patient-Reported Outcomes and Behavioral Science, Health Policy & Outcomes Research, Computational & Data Science Research

**Number of personalized elective rotations:** No guaranteed elective rotations

**Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Required
- Colorectal surgery: Required
- Gastroenterology: Required
- Vulvar disorders: Optional opportunity
- Minimally invasive gynecologic surgery: Optional opportunity
- Plastic surgery: Optional opportunity
- Gynecologic oncology: Optional opportunity
- Transgender health: Optional opportunity
- Global health: Optional opportunity
- Pelvic floor physical therapy: Optional opportunity
- Other non-urogynecology clinical requirements or opportunities: None

**Current URPS Fellows and Faculty**

Total number of fellows currently in program: 3

Total number of core URPS faculty: 4

1. Andrew Hundley, MD, Division Director, Fellowship Program Director
2. Silpa Nekkanti, MD, Assistant Fellowship Program Director
3. Lisa Hickman, MD
4. Susanne Taege, MD

## **Visiting Rotations, Applications, and Interviews**

- Visiting rotations for external ob/gyn residents: No
- Participating in the 2026 ERAS application and NRMP match: Yes
- Number of fellowship positions in 2026 cycle: 1
- Other additional information requested in addition to ERAS application: N/A
- Participating in the AUGS Interview invitation schedule (AUGS first round interviews): Yes
- Participating in Signaling: No
- Interview Day #1: May 8
- Interview Day #2:
- Interview Day #3:
- Are CREOG in-service exam scores requested in addition to the ERAS application?  
No

## **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early August 2027 (eg, August 1st)

General gynecology and/or obstetrics call requirements: No

## **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 4

**Dedicated research months Year 2:** 4

**Dedicated research months Year 3:** 4

**Type of research opportunities provided:** Clinical Research (Patient-Based), Translational Research (Bench-to-Bedside), Basic Science / Mechanistic Research, Epidemiologic / Health Services Research, Surgical Education and Simulation Research, Patient-Reported Outcomes and Behavioral Science, Health Policy & Outcomes Research

**Number of personalized elective rotations:** 3 elective rotations

### **Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Required
- Colorectal surgery: Optional opportunity
- Gastroenterology: Optional opportunity
- Vulvar disorders: Optional opportunity
- Minimally invasive gynecologic surgery: Optional opportunity
- Plastic surgery: No current opportunity
- Gynecologic oncology: Optional opportunity
- Transgender health: No current opportunity
- Global health: Optional opportunity
- Pelvic floor physical therapy: Optional opportunity
- Other non-urogynecology clinical requirements or opportunities: None

### **Current URPS Fellows and Faculty**

Total number of fellows currently in program: 4

Total number of core URPS faculty: 7

1. Sara Cichowski, Fellowship Program Director
2. Tom Gregory, Division Director, Assistant Fellowship Program Director

Total number of fellows currently in program: 3

Total number of core URPS faculty: 3

1. Kate Meriwether, Division Director, Fellowship Program Director, Fellowship Research Director
2. Sarah Jeney, Assistant Fellowship Program Director
3. Tasha Serna-Gallegos

**Additional Information**

We have hired another core Urogynecology faculty member starting in October of 2026 (Dr. Caitlin Carlton)

# University of North Carolina Hospitals Program

**Website:** <https://www.med.unc.edu/obgyn/education/fellowship/urogynecology-and-reproductive-pelvic-surgery-fellowship/>

**Program Coordinator Name:** Nichole Tran

**Program Coordinator Contact:** [nichole\\_tran@med.unc.edu](mailto:nichole_tran@med.unc.edu)

## **Visiting Rotations, Applications, and Interviews**

- Visiting rotations for external ob/gyn residents: No
- Participating in the 2026 ERAS application and NRMP match: Yes
- Number of fellowship positions in 2026 cycle: 1
- Other additional information requested in addition to ERAS application: N/A
- Participating in the AUGS Interview invitation schedule (AUGS first round interviews): Yes
- Participating in Signaling: Yes
- Interview Day #1: April 8
- Interview Day #2: April 15
- Interview Day #3:
- Are CREOG in-service exam scores requested in addition to the ERAS application?  
No

## **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early August 2027 (eg, August 1st)

General gynecology and/or obstetrics call requirements: Yes

Type of call requirement: General gynecology and obstetrics call

## **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 3

**Dedicated research months Year 2:** 4

**Dedicated research months Year 3:** 4

**Type of research opportunities provided:** Clinical Research (Patient-Based), Epidemiologic / Health Services Research, Surgical Education and Simulation Research, Patient-Reported Outcomes and Behavioral Science

**Number of personalized elective rotations:** No guaranteed elective rotations

### **Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Required
- Colorectal surgery: No current opportunity
- Gastroenterology: Required
- Vulvar disorders: Required
- Minimally invasive gynecologic surgery: Required
- Plastic surgery: No current opportunity
- Gynecologic oncology: Optional opportunity
- Transgender health: No current opportunity
- Global health: Optional opportunity
- Pelvic floor physical therapy: Required
- Other non-urogynecology clinical requirements or opportunities: None

### **Current URPS Fellows and Faculty**

Total number of fellows currently in program: 3

Total number of core URPS faculty: 6

1. Jennifer Wu
2. Marcella Willis-Gray, Division Director
3. Elizabeth Geller, Fellowship Program Director
4. Christine Chu, Fellowship Research Director
5. Abhishek Sripad
6. Stephanie Glass Clark

# University of Pennsylvania Health System Program

## **Visiting Rotations, Applications, and Interviews**

- Visiting rotations for external ob/gyn residents: No
- Participating in the 2026 ERAS application and NRMP match: Yes
- Number of fellowship positions in 2026 cycle: 1
- Other additional information requested in addition to ERAS application: N/A
- Participating in the AUGS Interview invitation schedule (AUGS first round interviews): Yes
- Participating in Signaling: Yes
- Interview Day #1: April 30
- Interview Day #2: May 1
- Interview Day #3:
- Are CREOG in-service exam scores requested in addition to the ERAS application?  
No

## **Start Date and Call Requirements**

Anticipated start date for AY 2027 – 2028: Early August 2027 (eg, August 1st)

General gynecology and/or obstetrics call requirements: No

## **Research Blocks and Elective Opportunities**

**Dedicated research months Year 1:** 3

**Dedicated research months Year 2:** 3

**Dedicated research months Year 3:** 3

**Type of research opportunities provided:** Clinical Research (Patient-Based), Epidemiologic / Health Services Research, Surgical Education and Simulation Research, Biomedical Engineering & Innovation, Patient-Reported Outcomes and Behavioral Science, Health Policy & Outcomes Research, Computational & Data Science Research

**Number of personalized elective rotations:** No guaranteed elective rotations

**Dedicated non-urogynecology/off-service rotations or opportunities**

- Urology: Required
- Colorectal surgery: Required
- Gastroenterology: Required
- Vulvar disorders: No current opportunity
- Minimally invasive gynecologic surgery: No current opportunity
- Plastic surgery: Optional opportunity
- Gynecologic oncology: Optional opportunity
- Transgender health: Optional opportunity
- Global health: No current opportunity
- Pelvic floor physical therapy: Optional opportunity
- Other non-urogynecology clinical requirements or opportunities: None

**Current URPS Fellows and Faculty**

Total number of fellows currently in program: 4

Total number of core URPS faculty: 4

1. Heidi Harvie, Division Director
2. Uduak Andy
3. Lily Arya
4. Pamela Levin, Fellowship Program Director
