

## AUGS Affiliate Membership

---

### What can an Affiliate Membership do for you?

#### Resources

- A listing in the “Find a Health Care Professional” section on the Voices for PFD Website, [www.voicesforpfd.org](http://www.voicesforpfd.org), allowing patients to easily find you
- A subscription to **AUGS publications**, including *Urogynecology* and the online newsletter *Urogyn News*
- Eligibility to apply for research funding through the **AUGS Foundation Grant Program**
- Access to clinical practice guidelines, tools, position statements and information on coding, reimbursement and quality improvement on the AUGS website
- Access to patient resources on the Voices for PFD website

#### Education

- **Access to AUGS Online Learning**, an online portal containing educational videos, webinars, on-demand courses, self-assessments and archived annual meeting content
- A reduced fee to participate in **AUGS Annual Meetings, courses, and workshops**
  - Interdisciplinary workshops taught by leaders in the field
  - Exposure to the most recent and innovative research and treatment methods in the urogynecology community
  - Roundtables that allow direct discussion with experts in the field
- A reduced fee to attend **Urogynecology for the Advanced Practice Provider**, an annual course designed specifically for the advance practice provider

#### Networking

- **Participate in Events.** Attend AUGS meetings, online events, and APP-specific gatherings designed to connect you with peers, physicians, and leaders across the field of urogynecology.
- **Volunteer for a Committees.** Serve on one of AUGS’s numerous committees which are responsible for developing and maintaining the programs and policies that support the Society’s mission.
